

Graduation Requirements and Commencement

Graduation is not automatic upon completion of all coursework in a degree program. Students who intend to graduate must apply for graduation through home.apu.edu (<https://home.apu.edu/>) and pay the current graduation fee. Applying for graduation through home.apu.edu is mandatory, regardless of whether the student intends to participate in a commencement ceremony. The graduation application due dates and graduation dates are listed in the Academic Calendars (<https://www.apu.edu/calendar/academic/>).

A degree is granted based on the completion of all requirements prior to degree posting dates. This includes verification of maintaining the minimum grade-point average for the degree program.
